It gives me great pleasure and heartfelt gratitude to Allah (SWT) to share this message in our school's magazine, a symbol of growth, purpose, and the shared dream that is Luminous International School.

**“Indeed, the best of you are those who learn and teach.”**

**Prophet Muhammad (ﷺ)**

“Luminous was born out of a vision to build a distinguished institution that not only prepares students for exams but also prepares them for life. It is a school where character comes before grades, and values shape vision. We believe that education must illuminate the heart, refine the mind, and transform the soul.”

**“Verily, Allah does not change the condition of a people until they change what is in themselves.”**

**Surah Ar-Ra'd (13:11)**

Our mission at Luminous is not merely to teach subjects, but to awaken hearts, ignite curiosity, nurture character, and unlock the potential of each child to become a future leader grounded in wisdom, faith, and excellence. We strive to build not only strong minds but strong souls.

As Allah (SWT) says:

**Surah Az-Zumar (39:9)**

We are committed to unlocking the potential of every child, guiding them to become leaders grounded in ethics, faith, and excellence. The future belongs to those who unite knowledge with action, compassion with strength, and faith with vision.

The very first command from Almighty Allah (SWT) to us was to read. This divine instruction highlights the immense value of knowledge in our lives. Knowledge has the power to elevate a person, regardless of wealth or social standing, while ignorance can diminish even those surrounded by honour and prestige.

Therefore, let us commit to reading not merely for information, but with intention and purpose of seeking the pleasure of our Lord and Sustainer. May we continue this noble pursuit of knowledge with sincerity, from now until our final breath.
